Book Synopsis

The prevailing mindset in business, which values profit above well-being and the environment that sustains us, is insane. Creating a healthy, humane world requires more than new organizational models that merely shift the deck chairs on a sinking ship. We need to entirely re-imagine the nature of business, work, and life. In *Our Journey to Corporate Sanity*, Ayelet Baron guides us through transformational stories from leading business pioneers who share how they are profitably creating a beautiful and humane world. We can draw from their collective wisdom to help us chart our own journey to a new mindset of 21st century leadership. Pioneering 21st Century Leaders: Roni Zeiger * Bryan Welch * Kim Jordan * Kat Cole * Sebastián Ballerini * Leslee Thompson * Celine Schillinger * Jay Coen Gilbert * Magatte Wade * Michael Strong * Sarah McNally * Vanessa Reid * Jim Love * Shamini Dhana * Martina Buchal * Romanus Berg * Nirit Cohen * Lisa A.
